

News From Your TOWN HALL

The Town Fathers are putting some of the surplus of the water funds into war bonds on the theory that interest earned will go along on the interest to be paid on the recently issued bonds for improvement work.

The deed to the woman's Club property and a bill of sale were delivered to the Town Wednesday night and insurance was immediately placed on the building and contents.

Conferment Rogers assured the town that he is doing all possible to hurry the delivery of the pipe already purchased for the line to the dyke.

The inclusion of additional territory in the Town limits is indicated through an advertisement running this week is a notice of intention to urge legislation. The idea is to be able to police an area now occupied by negroes immediately contiguous to the Town.

Local Schools Are Growing And Soon May Need More Room

Principal Frank Hobson, of the Belle Glade school, states that the past year has been the most successful one with a peak enrollment approaching the 900 mark in all the schools.

Students are now busy on the end of the school year work looking forward to class promotions, but the most interesting bunch of students is that of the High school senior class, who are looking forward to graduation, and the receiving of their High school diplomas.

The names of those who are tentative candidates for graduation, submitted to results of class work and final examinations, are as follows:

Zelma Atkins, Billy Eggleston, J. D. Gonsens, Clay E. Fessenden, Horace Harris, Ruth Henderson, Roy Hall, Billy Jeffries, Elmer Kirschman, Mary E. Knight, Beverly Lutz, Wallace Lutz, Frances M. Mulach, Marian Mulach, Dixie Pool, Billy Pennington, Aileen Rice, Dorothy Reddy. (Continued On Page 6)

Annual Meeting Of Woman's Club

A very interesting meeting of the Woman's Club was held Wednesday evening at the Community Club house, at which time annual reports were given by the officers and the executive committee. Reports showed that much welfare work had been done, the school band aided with a part of the dollar dance, one hundred dollar war bonds purchased, various donations to the Boy Scouts of America, Veterans Hospital, the Children's Home in Jacksonville and the Everglades Park Association.

Fung in reports in person were the following: Mrs. Lutz Jones, president; Mrs. Milton Campbell, second vice-president; Mrs. E. A. McCabe, secretary; Mrs. J. H. Chambliss, welfare chairman; Mrs. Lee Puckett, finance chairman; Mrs. C. A. Bailey, auditor and school band fund chairman; Mrs. Ralph Freeman, recreation chairman; Mrs. J. P. Brown, literature chairman; Mrs. Lee Hayman, music chairman; Mrs. Bonnie Brown, home chairman; Mrs. C. A. Thompson, citizenship chairman and Mrs. J. W. Mosley, art chairman. A written report of the treasurer, Mrs. W. C. Bamford, was read by Mrs. Bailey.

Mrs. Harold Rubin, Mrs. J. H. Chambliss, Mrs. W. B. Granger and Mrs. Lutz Jones composed the committee to work on plans the PW Camp on Road 25.

A motion was passed that the time of the regular meetings revert back to every first and third Wednesday afternoons. For the past two years, every third Wednesday evening has been held in the evening.

Mrs. A. M. Murphy presented a paper on "The Everglades." During the social hour, refreshments were served by the hostess committee, Mrs. R. L. Murray, Mrs. I. E. Hamilton, Mrs. M. M. Sabiston, Mrs. R. Y. Creech and Mrs. F. A. L. Ellis.

New Athletic Field Project Funds Will Be Quickly Raised

Surprises seem not to overwhelm Belle Glade citizens when something of a good and permanent nature comes along which means a needed improvement to the city, which requires financial backing, and a lot of cooperation, then they'll out their money to put it across.

That was the case the past week end when the South Shore Athletic Club sprung its projected new High School Athletic field project and the means of fostering the same and they are mightily well pleased with the response which has been made. Funds now in hand assure the success of the project and Belle Glade will have an outstanding athletic field of its own.

With about half of the canvassers making returns to Secretary W. P. Risk, mostly the lesser donation figures, half of the \$10,000 quota has already been secured and what the big donors will bring in on final reports the projected support will have been assured.

However, should there be any persons who have not been directly solicited by the committee canvassers, Secretary Risk states that any such donations can be made at any time.

Citizens would several hundred such persons who would be glad to make some donation to the school cause.

A meeting of the committee members will likely be held this week to go over returns and to plan for furtherance of the project.

British Flying Cadets Prove A Jolly Set Of Men

The writer, as a newspaper man in his long years of service, has had many thrills and pleasures, but on Saturday last he had a most unexpected assignment through the courtesy of two of the drivers of the Glades Motor line. This was the privilege of riding to and from West Palm Beach with a consignment of Royal Air Force trainees from the Cleveland school of the occasion will be one of the outstanding events of his life.

These fine, well built and virile British boys proved most gracious companions and most careful listeners as I gave them and informal lineup of the Glades and its expansion in fish farming area. They were most interested in taking a passing "look-a-see" at big Morristown field and it was remarkable how readily they picked out the names of the "war-war" bombers they saw standing on the tarmac.

Coming home on Sunday night that group of boys broke out into a song fest which lasted most of the trip. They were could put their own words to the strange British songs and they far from murdered the American popular music songs they knew, learned through radio and camp training courses.

When they sang their patriotic and war songs they nearly lifted the top of the bus with their gusty singing. But when they came to sentimental songs like "My Gal," "My Bonnie," and "The Old Folks at Home," they were not thinking of the music but the sentiment of the verses, and there was a subdued note in the voices as they were thinking of home across the wide waters and we knew those boys were home sick.

This group of airman trainees came to America by ship to New York and were sent to Canada for a period of basic training and on to Cleveland for advanced training. (Continued on page 6)

Principal Hobson Announces Concert

Principal Frank Hobson announces that the new Belle Glade High School band will make its first public appearance in a concert program at the High School auditorium on Wednesday night, April 23, 8:30 o'clock. An invitation is cordially extended to all citizens of the area to attend.

Clearance To Other Areas Restricted Till End Of Season

The ill effects of the long drought on the spring crops is beginning to show up in quality and quantity, especially on beans. However, the ceiling price is being paid for all beans of good quality and everything is being taken by the markets.

Cabbage are still being moved but the season is almost over because of other areas coming in. Cutters and packers are getting \$12 to \$15 per pair for field work.

Tomatoes from the South Bay area are expected to begin coming in during the next few days and promise a food quality unless a rainy spell injures them.

Growers are preparing for the spring potato harvest of the 2500 acres and ceiling prices are in prospect for these.

The Wedgworth farmers have started harvesting except celery which is hanging around \$6 per crate, while the Zellwood average will begin next week. Haul, Post and Knight are growing potatoes at Zellwood.

The following is the movement to date:

High Up In Gas Consumption

Reports issued from the state capital for the month of February, just released, shows that Palm Beach County stood fifth among the list of states counties in the use of motor fuel. Anyone coming out into the Glades section will find that less than one percent of such bonds are now being disposed of in the money markets of the nation.

Local financial agencies report while there has not been an eager rush to get the Seventh Drive bonds as yet, there has been a sizeable volume bought, which will be credited to the

Service Men who Fight and Write

for many years. His wife, the former Lois Sander, of Palmetto, and baby are living in West Palm Beach.

CARL REDMER, 32, after serving for the past 18 months at a port in Africa, Carl Redmer, formerly city clerk, has arrived home to spend a thirty day leave with his parents, Mr. and Mrs. C. L. Redmer. He enlisted in the Navy three years ago and at the present time is stationed at Camp Perry, Va. where he recently received a promotion to the rank of senior keeper second class.

SGT. JUNIUS HARRIS, Sergeant Harris is convalescing from a leg injury in an Army hospital in England and writes "I am up walking around every day now but I get tired and my leg gets stiff and sore if I stay in bed too long. I am glad to get lots of rest. Not much getting in a hospital but all of us G. I's have fun telling each other our experiences about the various things that happened

in our outfits. Swell fellows, all of them. It's hard to look at them and realize how tough they are in combat. We have had lovely weather with everything green and a few flowers are showing."

CAPT. JOSEPH GLEDHILL, Captain Gledhill, son of Mr. and Mrs. John Gledhill, who is a member of the Army Medical Corps, has been discharged as a patient from the Fletcher General hospital at Cambridge, O. and has reported at Miami Beach for reassignment to duty. He served for 20 months in Australia, New Guinea and other South Pacific islands.

CPL. J. C. WARREN, "I am in Okinawa now. We landed here last Sunday morning and it was nothing like Guam. There wasn't a shot fired at us coming in. It was a big April fool for us as we expected nothing. Have been going day and night all this week. We have air raids about every day. So far they haven't done any dam-

Count Your Monies For Investment In Seventh War Loan Drive Bonds

Lee Puckett, chairman of the Glades section, states that plans are now working out for the real starting next week in efforts for the "ALL OUT FOR THE MIGHTY SEVENTH WAR LOAN DRIVE."

The past week has been devoted by Committee chairman, named last week, in getting their organization ready for the interviewing members of their respective divisions, for their possible bond purchases of "E" bonds.

In connection with the American Legion carnival, that management has arranged to set up a bond selling booth at the carnival to be manned each night by the various committees enrolled in the drive, and the organization or club which may sell the largest aggregate amount will present a \$50 or \$75 bond as a reward. This ought to bring about some stimulating competition.

The Glades, while it is an official quota set to raise, will be expected to equal or exceed its former fine record on bond sale drives. The drive will start in earnest next Monday so all had better do a bit of figuring out just how much can be removed from the bank account, the old sock or the bureau drawer for such loan investments.

This buying of War bonds is a sound method for personal savings for the future, which might be spent in other ways without material benefit to the spender. Secretary Morgenthau says buying with a view of "holding onto the bonds until maturity." No safer investment for old age can be found. There has been a tendency of many former bond buyers to dispose of their bonds, but that now seems to be dying out for transfer to the future, less than one percent of such bonds are now being disposed of in the money markets of the nation.

Local financial agencies report while there has not been an eager rush to get the Seventh Drive bonds as yet, there has been a sizeable volume bought, which will be credited to the

Lauderdale Golfers Again Take Over Our Local Delegation

Ramrodded by Bill Schrieber, pro by the Country Club of the Everglades, some 30 or more golfers and their wives from the Belle Glade section landed in Ft. Lauderdale last Sunday for a return visit to the Golf Club members of that city.

Recalling the fine reception and entertainment afforded their delegation on their recent visit to Belle Glade, the Ft. Lauderdale boys had planned for a like reception and entertainment and they did not fail in the objectives.

After the afternoon's golf the combined companies assembled at the beautiful and commodious club house and there dinner was served. The reception enjoyed and every one declared it a most enjoyable event.

At the close of the city ladies seemed to have a bit of the lead on our local golfers for they won by a total of 17 1/2 points to 12 1/2 points and all contests were closely played. The gallery which followed the playing field had a lot of side-line fun and good natured joshing.

In the low gross score Belle Whorster and Taylor of Belle Glade, Rodes, Becker and Harding of Ft. Lauderdale all tied at the 75 point mark.

In the low net score, Maynard and Gust of Ft. Lauderdale and McKenstry of Belle Glade all shot at 71 with their handicaps.

The Blind Bogey match was won by McKee of Belle Glade and Rensberg and Bedwell of Ft. Lauderdale won the prize.

The special event prize went to Aspy of Belle Glade and Gardner, Boshara and Freeman of Ft. Lauderdale.

Lions Hear Magnetic Patriotic Address On "Facing The Facts"

The Belle Glade Lions club had an overflow attendance of members and visitors at its Wednesday meeting which was presided over by President DeLavan. The guest list included Lt. John Slocum, Lt. Roscoe Harrell, Lt. H. C. Smith, Rev. Harold Davidson, David Lynn, J. O. Jameson, Billy Jones, John M. Jeffries, H. O. Earwood, installing officer, Ralph Kirk and William Weeks; directors, Frank Hobson and Verne Butts; treasurer, H. O. Harwood; Jim Taitner, K. Baker; secretary, Jay Sample; treasurer, A. L. Wallis; Recreation and Instruction committee, F. C. Dooley, W. M. Jeffries, H. O. Earwood; installing officer, H. O. Earwood. The election will be held at the meeting on May 3rd.

Experiment Station Has Field Day

Announcement is made by the Experiment Station that on next Tuesday, April 24 starting at 10:30 there will be a field day program for potato and celery growers from Central and South Florida areas.

The Navy shoots them down before they have time to do anything. They give you a thrill in combat. We have had lovely weather with everything green and a few flowers are showing."

"Guess everyone is about finished farming for the summer. I would like to be there to farm in the first part of '47. It sounds like a long time but it will pass pretty fast."

The new ones are a funny race very few speak any English. All of them are farmers and friendly. They look like Japs though. Every time you meet one, they will stop and bow two or three times. Surely would like to see some white people for a change."

Million Dollars Paid For Week's Shipment Despite 20% Decrease

Legion Opened Its Big Carnival Show To Good Crowds

Everglades Post No 20, American Legion on Wednesday night, opened its annual fair and carnival which will be in operation until the evening of April 28th.

The attractions which will conduct the carnival is the Royal Palm Show, a well known carnival outfit which has set up its layout on west Avenue A on lands adjoining the Rader Camp and here nightly performances will be presented as well as musical numbers on Saturdays and one Wednesday.

On Wednesday in the afternoon of April 25th, there will be a matinee for the benefit of the Glades section school children who will be admitted to the grounds free and all riding concessions prices will be reduced for their benefit.

Each evening performance a feature will be a thrilling exhibition by the Dare Devil act, as son, who will dive from a 110 foot tower into a tank of water, 14 feet in diameter engulfed with fire, with himself ablaze. This is said to be one of the most thrilling, dangerous and spectacular acts known to the carnival and circus world.

Just to let the people know that the Glades still does grow agricultural products there will be a sizeable display in one of the show grounds on tents.

The Legion, from whatever profits it makes from the carnival, will use it for a philanthropic cause, in meeting the cost of moving a building from out of town and rehabilitating it for the use of the proposed Crippled Children and Health Clinics.

Water Control Bill To Be Studied Here

Dr. R. V. Allison has called a meeting of the Water Control Committee of the Resources and Development Board to study the proposed water control bill which has been prepared as a result of the studies of Governor Caldwell's special committee.

Mr. Ralph Blank has secured a copy of the bill and is having it copied so that each member may know of its provisions.

The meeting is to be held here at the Woman's Club Saturday morning at 10 o'clock and the following committee members are invited:

Fred McNeese, H. S. Johnson, J. T. Clump, Ray W. son, Reynolds, Turner Wallis, M. J. Mounts, R. K. Lewis, Orrin Randall, Ben Herr, W. W. Johnson, John R. Wallis, J. Y. Creech, Luther Jones, H. L. Hancey, Walter Hooker, Sam Chastain, W. P. Jernigan, L. L. Stucky, Paul Rardin, John Prince, A. H. Butts, Marshall DeWitt, M. A. Weaver.

No Females In List Of Elected School Town Officials

Conducting their election according to the rules of Town election, the school board elected Billy Jeffries, Elmer Kirschman and J. C. Waddell, seniors and J. A. Tedder and Barnes Smith, juniors, to the school board affairs next Wednesday. From their midst will be chosen the Mayor, The Misses Edith Bregger, Dorothy Walker, Carafay Siracy and Beverly Lutz were eliminated.

Girl Scout Courses Completed This Week

Girl Scout field worker Mrs. Frances Kenning will complete her campaign of recruiting and training leaders in Belle Glade this week. Today at the home of Mrs. Kenneth Lutz a troop committee meeting was held and at 7:30 tonight a leader training class will be conducted at the Scout Hut, Saturday at 11 a. m. a cook-out for all committee members and leaders will be at the City Park. All who are interested in Girl Scout work are invited to attend.

Seeks Closed Sessions On Lake

Outside the ban on black bass during the spawning season there has never been a law which would prohibit the taking of other kind of food fish from Lake Okeechobee by commercial fishermen and trappers. Now a bill is introduced in the Legislature introduced by Representative Bill Hendy of Okeechobee and Representative Peoples of Glades county, whereby a closed

Continued on page 6

The Quality And Quantity Showing Results Of Extended Drought

Prof. Spicer is asking that farmers who will need some of the Bahamians for the summer put their requests in just as soon as is practicable, so that arrangements can be made.

Requests are coming in daily for clearance to get to other areas but generally these are denied for the reason that county agents in the territories to the north must certify that the crops are needed and even then clearance will not be given until the pressure of the spring harvest is relieved here.

A lot of people believe that field hands could do with less gas totes an autos than they now use anyhow, and with the tire and gas shortage expected to grow worse, its going to take some good excuse to get a clearance. The local ration board workers are needed and even the clearance is hard.

One enterprising applicant wanted to go to Michigan, which is 1500 miles. The ration board took this individual from getting the 100 gallons and spreading around Georgia and Alabama till it is gone there's nothing to prevent this school bus from getting a clearance, and they aren't easy to get.

There are 1283 Bahamians, 1800 Jamaicans, 210 German War Prisoners and an estimated 7500 or more domestic farm workers in the area at present. The ration board is reporting about 8 to 10 hamper as an average days work. At 70¢ per hamper this is not bad wages, so that they are home from home from 6 to 8 hours and actually work four or five.

Country Club Invites Service Men And Girls To Saturday Night Dance

Mae McWhorter is issuing a special invitation to service men and women to the Saturday night dance at the Country Club of the Everglades.

Any service man or woman, who is invited to the dance, is invited to be the guests of the Club, not only for this dance but for all functions held by the Club.

Observation & Comment By John M. Gledhill

Going to seem unfamiliar to us here in the United States, instead of the name of Franklin D. Roosevelt, as we have been doing for more than 12 years past. By its own designation Mr. Truman will go down in our nation's history as the Thirty-Third President.

No one, enemy or friend, but what joined in the sentiment that in the passing of our four time president, the school kids of Roosevelt, that the nation and the entire world had lost a man whose name and deeds will go down in history as also of the great men of the nation and world. A great warrior for Peace for all nations.

With a record breaking sugar cane harvest in 1944-45 challenged by the U. S. Sugar Corporation, greater things are promised for 1945-46. The U. S. Sugar Corporation is extensively increased.

A girl who went out with a flier said he danced in such close formation that she could practically read his dog tail in braille.—Flint Hills Peggy.

Real Estate Salesman: "Would you like to see a model home?"

Prospect: "Glad to, what time does she quit work?"
—The Railroad Journal.

"The tragic history of recent years has shown us vividly that freedom of the press cannot exist where there is no political freedom; by the corollary to this basic truth is perhaps even more important—political freedom cannot exist without a free press. An electorate informed on issues is as fundamental to representative government as the election itself. And full information through the press is the bulwark of the people's power to check up on their representatives between elections."—Thomas E. Dewey, Governor of New York.

Sage Gave Up

"On the right—form platoon!" roared the sergeant. The recruits carried out some kind of maneuver which left the sergeant speechless.

He looked at the mfr moment. Then his voice returned—and no words can describe the tone of it. "All right—now take your partners for the dance."
—Salt Lake City (Utah) Farmer.

A Milestone On The Road To Nowhere

The electric utility industry is not contemplating extensive new construction of generating facilities. Expenditures for this purpose will be far lower during 1945 than the average for the depression decade of the thirties. According to utility company officials, a major reason back of the limited program is existing tax-subsidized government competition and the threat of more such competition as the government planners who pay lip service to private enterprise swing into action for yet greater government-owned power systems.

Thus another milestone is passed in the struggle of the utilities against political philosophy that has destroyed the freedom of the people in nation after nation state socialism. Instead of hundreds of millions of dollars being spent by private industry to provide jobs and tax revenue, we now see hundreds of millions of taxpayer's dollars being spent to destroy taxpaying private industry. This is certainly not the way to save the nation from bankruptcy, nor is it the way to guarantee postwar jobs.

Lower Federal Taxes Advised By War Board

Early revision of federal taxes, to stimulate planning for postwar jobs by business and industry, is advocated by the advisory board to the director of War Mobilization and Reconversion in a resolution sent

Fred M. Vinson, new director.

Declaring adoption of an equitable tax program by Congress, at the earliest possible date, would "represent one of the most important single steps in preparing the nation for reconversion and full employment," the board asserts early consideration of the problem "would be most encouraging to management, labor, and agriculture."

O. Max Gardner, board chairman and former governor of North Carolina, said that while there is no escape from high taxes for the next generation, he is sure the government recognizes the necessity for adjustments to encourage increased production by private enterprise, adding:

"I honestly believe there can be no written formula for reconversion until we have a tax policy that will point to greater peacetime production heights than this nation has yet achieved."

CINEMATIC CHATTER

By Malcolm Millar

There's a jam up, all star casted musical comedy coming to the Everglades this Sunday-Monday under the title "Sensation of 1945" and I'll say the whole thing looks plenty sensational.

Listed in the cast are Dennis O'Keefe and Eleanor Powell as its stars and a strong supporting cast, also Gab Calloway and Woody Herman with their bands and numerous circus and vaudeville acts.

Of course there's a plot to the thing! But, whose interested in plots when one is going to see such an array of talent, beauty and artistry and one is going to feast their eyes on the loveliest or loveliest and lend an ear to the sweetest of sweet music?

Tuesday-Wednesday brings on a double header with the first picture up "Alergie to Love" which stars Martha O'Driscoll and Noah Berry, Jr. and an excellent supporting cast.

According to press reports this one has to do with the air-

plane industry and a young couple who set out on a free and easy honeymoon, during which the airplane business almost hits bottom. . . . However it is put back on its feet. Then to make matters worse, the bride discovers that every time she comes near her hubby she has an attack of hay fever. . . . This turns out okay when they discover what it is about the young man that causes this allergy. I think you'll get quite a bang out of this show.

Second up is "Jamboree" with Ruth Terry and George Bryan. Story is about the rivalry of two bands, each trying to copy the other's style. The plot is not a very heavy one, although a bit complicated. . . . but the main idea of the picture is to feature the bands and Ruth Terry in a few hot numbers.

Thursday-Friday brings in "Ladies Courageous" which stars Loretta Young and Geraldine Fitzgerald. Story is about those heroic ladies who fly the ships from America to Europe and is so well written that I am sure it will hold your attention from the very beginning.

Saturday I see Roy Rogers and his henchmen back on the screen in another of his delightful shows under the title "Mexican Rose" which I am sure will be pleasing to all his fans. See you at the movies.—Mal

LEGAL NOTICES

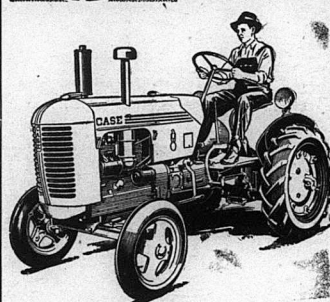

NOTICE OF SPECIAL LEGISLATION
Notice is hereby given that Special Legislation will be introduced at the 1945 session of the Legislature of the state of Florida to amend and re-constitute section 1 of Article 1 of the Constitution of the state of Florida, amended by Chapter 1943, Acts of the Legislature of the state of Florida, 1943, to provide for the following additional territory to the Town of Belle Glade, in Palm Beach County, Florida:

Starting at the Southeast corner of Section 26, Township 42, South of Range 27 East, as the point of beginning; then go North to a point twenty-five feet North of the Southeast corner of the Southwest quarter of the Southwest quarter of the South-east quarter of said Section 26; then go North to the Northeast corner of the Southwest quarter of the Southwest quarter of said Section 26; then go West to the Eastern boundary line of the Eastern boundary line of said Section 26; then go East to the point of beginning.

Witness my hand and the seal of said County, this 14th day of April, 1945.

W. L. WALLIS, Town Clerk.

Making your car Shipshape for Summer will save wear. Sinclair-lize service will make your car Shipshape as its manufacturer recommends. You need this service now, as never before. No new cars are being made. So better not take any chances. Have your car Sinclair-lized right away.

SINCLAIR-lize SERVICE INCLUDES THIS:

To save wear on gears, transmission and differential are filled with summer Sinclair lubricants. Special Hypoid lubricant is used for Hypoid gears.

To save engine wear, crankcase is filled with Opaline Motor Oil. It stands up, lasts so long it saves you money. Special Pennsylvania Motor Oil if you prefer at 5¢ more per quart.

To save time, tires are inspected for cuts and bruises, inflated to proper pressure.

To help prevent accidents, front wheels are removed and rebalanced if your car manufacturer recommends.

To help prevent overheating, radiator is cleaned of anti-freeze, rust and sludge.

To save wear and help prevent squeaks, chassis is lubricated with special Sinclair lubricant.

To give better performance, save gasoline, spark plugs are cleaned and adjusted. Battery and oil and air filters are checked.

EVERGLADES POST NO. 20, AMERICAN LEGION

THE OLD JUDGE SAYS...

"When you think of the sacrifices our fighting men are making in this war, it's hard to figure out how we'll ever repay them, isn't it, Judge?"

Yes, it really is, Tom. There are only certain things we can do. Such as... write them cheerful letters often. Send them favorite gifts from time to time. Work harder than ever to provide them with everything they need to finish their job quickly. Buy more and more War Bonds... especially during the current drive... to

pay for the ammunition and fighting equipment they must have."

"All that still seems kind of small compared with what they're doing for us, Judge."

"True, but it's about all we older folks back home can do, Tom. Except one more thing. And that is to be sure our fighting men come home to the same kind of country they left behind. The kind of country their letters tell us they want. Nothing changed that they don't want changed while they're away and unable to express their wishes."

E. J. Parson of Miami was a visitor here yesterday of Mr.

and Mrs. L. P. Parson and family. He was enroute to Deland to attend the wedding of Miss Rabel Moreman to Ensign Harold Parson at the First Baptist church today.

Mrs. James S. Guignard left here Monday to return to her home in Banner Elk, S. C., after leaving spent the past month here with her daughter and son, Mrs. W. T. Elder and William Guignard and their families.

Mrs. Pearl Starling, Mrs.

Gergia Miller and Seaman and Mrs. Howard Morse have returned to their homes after attending the funeral of Mrs. Walter Greer last Sunday.

Mr. and Mrs. O. G. McWhorter and Mr. and Mrs. McWhorter accompanied Mrs. Dora McWhorter to Miami where she left Sunday morning by plane to San Juan, Puerto Rico to visit her daughter, Mrs. Milton Carr.

Mr. and Mrs. John Gledhill and Captain and Mrs. Joseph M. Gledhill of Niles, Ohio were the guests of Mr. and Mrs. C. W. Campbell in West Palm Beach Sunday.

Mr. and Mrs. Vernon Jones had as their guests Sunday in celebration of Mrs. Jones' birthday, Mr. and Mrs. Raymond Carruthers of Pahokee and Col. Lester of Boca Raton.

Mr. and Mrs. J. W. Rashley have returned from Clearwater where they were guests of their daughter, Mrs. John Anjima and family.

Mr. and Mrs. R. Y. Crech and Mrs. Barnes, spent last week end at Ft. Myers Beach.

Fred Tanner of Dublin, Ga., has arrived in the city to visit his father, J. C. Tanner, who has been critically ill. The elder Tanner has just returned to his home after a stay at a hospital.

Dinner guests of Mrs. L. T. Crech and Miss Sara Lee Crech Tuesday evening were Mr. and Mrs. Jules Thomas and Mr. and Mrs. Frank Rupp of Lake Worth, Mrs. Helen Gist.

Mrs. Jewell Spach, Mrs. Ethel Van Wert, Mrs. Hazel Wildauer, and Mrs. Ruth Brenna of Ft. Lauderdale.

Mr. and Mrs. William Graber and daughter, Barbara Jean, have returned to their home in Hartsville, Ohio. W. C. Moore, who has spent the past few months here with his daughter, Mrs. William Schröder and family, accompanied them as far as Frederick, Md.

W. M. U. MEETING HELD AT BAPTIST CHURCH

The regular meeting of the Woman's Missionary Union of the First Baptist church was held Tuesday afternoon at the church. A cooperative program was conducted with Mrs. O. H. Earwood, Mrs. C. T. Tennison, Mrs. J. P. Blair, Mrs. Vernon Jones and Mrs. E. L. Enlow taking parts. Mrs. J. W. Rashley presided over the business meeting and the resignation of community missions chairman was accepted with regret from Mrs. J. K. Baker who is accepting the leadership of the Sun Beam Band.

The Rev. I. E. Enlow discussed with the group plans for raising funds for the educational building and the necessity of starting on this as a definite program now.

Plans were also made for holding prayer meetings to be held during the week prior to the Revival which will begin May 6. Other members present were Mrs. J. O. Darden and Mrs. Walter Schlechter.

SUCCESSFUL LEAR ANNOUNCED BY PWB

The three objectives successfully accomplished in the past year by the Business and Professional Women's Club were pointed out by Miss Sara Lee Crech, outgoing president at the installation of officers Tuesday evening. Donations to the Medical Aid to China fund and the State Scholarship Fund, and under the Club's fundamental work and

ROSA LEE WADDELL

WEDS ANTHONY POWERS

The marriage of Miss Rosa Lee Waddell, SPGM 2c of the WAVES, daughter of Mr. and Mrs. B. Q. Waddell and Anthony Powers, SPGM 2c USN, son of Mrs. Josephine Powers of Indianapolis, Ind., was solemnized April 6 at 9 a. m. in Peru, Ind. The wedding took place in the Chapel of the Naval Base with Chaplain Rice officiating. The couple were attired in their Navy blues and the bride wore a shoulder corsage of white gardenias. She was given in marriage by her commanding officer, Captain Gurley and was attended by a friend who was also in uniform. The mother of the bride and groom, Mrs. Waddell and Mrs. Powers were matching corsages. Following the ceremony which was attended by approximately 30 friends, a wedding breakfast was served at the Cobblestone Inn. The young couple were granted a three day leave which they spent in Kokomo, Ind.

Mrs. Powers is a graduate of Palatka High School and enlisted in the WAVES the latter part of 1943.

They will make their home in Kokomo which is near the Naval Base where they are both stationed as gunnery instructors.

Mrs. Waddell returned home this week after attending the wedding and remaining a few days with them.

guidance, a town recreational council has been set up and beginning to function, and \$600 has been set aside to be used by this council of purchase playing equipment. Two musical selections were given by Mrs. A. Murphy, "Gondoliers" (Liz-it) and "Minnet" (Padreski). Mrs. Jules Thomas, state third vice president of Lake Worth, was introduced by Miss Crech and she gave a brief talk. The installing officer, Mrs. Hazel Wildauer of Ft. Lauderdale, preceded with the ceremony of installing the officers elect—Miss Adelaide Perry, president; Miss Mildred Hendry, corresponding secretary; Mrs. Imogene Fontaine, recording secretary; and Mrs. Abbie Zump, treasurer. Each officer was presented with a corsage and Miss Crech with a club membership pin.

A salad course was served by the hostesses, Mrs. Ruby Bailey, Mrs. Hendry and Mrs. Fontaine. Others present were Mrs. Margaret Harris, Mrs. Ida Hardy, Mrs. Ruth Wedgworth, Mrs. Katherine Harris, Mrs. Florence Smith, Mrs. Corinne Cohen, Miss Sue Stanton and guests. Miss Mary Alice Harris, Mrs. Becky Oberheuser and Mrs. Ernest Brown. Guests from Fort Lauderdale Club were Mrs. Helen Gist, Mrs. Ruth Brennan, Mrs. Ethel Van Wert and Mrs. Jewell Spach.

DRAW ORIGINAL CHARTER

Attorney Newman Miller of West Palm Beach was a business visitor in South Bay and Belle Glade last Friday and while here visited among his many friends.

Mr. Miller recalled that when Belle Glade was in swaddling clothes and trying to grow into a municipality that he became its legal advisor and drew up the original charter for the town.

Census Takers Here

Mrs. Thomas Elliott and Mrs. Ann Wagner, Glades census takers, worked in the Lake Harbor, Kreamer Island, Chosen and Belle Glade sections the past week. In taking the negro enumeration several of the negro teachers assisted them in the work.

"My neighbor on the next street had a telephone installed.

Why did he get one before me?"

This may happen for any one of several reasons.

First: Your neighbor's telephone service may be essential to the war effort or to public health, welfare and security. Such service has first call on the few facilities available in your community.

Second: There may be spare cable conductors to the central office. But in your street, all facilities may be in use.

Third: He may be moving service from his former home. Where lines are available, these orders take precedence over applications for new service.

Fourth: His request for service may have been placed with us before yours.

We regret we cannot tell you when your service will be installed. In many cases, it will be considerable time after final Victory. But we can assure you that your request will be filled in its proper turn.

JUNIOR-SENIOR BANQUET AND PROM

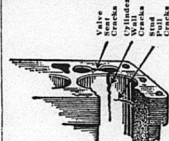

At last the time for the long awaited annual Junior-Senior banquet and prom is here. The prom is to be given by the Juniors this evening at the High School Auditorium. The task of decorating the gym has been undertaken this week. The doors are locked, paper is over the windows, Juniors slip in and out and everyone, especially the Seniors, are all excited. A few Sophomore boys have been invited in order to have enough dancing partners. The Sophomore girls have just received their class rings and are they beautiful. Of course, due to the war, the present Seniors' rings aren't nearly as nice and so the Juniors have something on them. Last week the Seniors took Placement tests. But they're all over now and all they have to do is to sit back and wait for the banquet and prom at which they will be honored. Oh, by the way, the Seniors received their Commencement announcements this week.

ASSEMBLY

Last Friday the fourth, fifth, and sixth grades witnessed one of our high school assemblies. Since Saturday was Pan-American Day, a Pan-American program was presented.

Superweld

The NEW and guaranteed method of repairing cracks in motor blocks, cylinder heads and metal castings.

program was presented. The program was announced by Louise Friedheim. R. W. Kidder spoke to the group about National Youth Week. The students who are elected will run the affairs of the town on Wednesday. The candidates must be Juniors or Seniors and only High School students will be allowed to vote. The voting will be done by secret ballot. W. L. Cunningham also spoke of National Youth Week and the death of our late President. The Spanish and Civics classes recited the pledge to the flag in Spanish and, the Spanish class sang "Besame Mucho" and "Alla en el Rancho Grande" in Spanish. Jimmy Ball gave a talk about the Pan-American Union and the various Republics were represented by Joan Normand, Grace Eggleston, Barbara Will, Louise Hamilton, Julia Stacey, Billy Watson, Mary Ellen Neal, Carolyn Hamilton, Ella Mae Hopkins, Anne Kirchman, Joyce Tedder, Jeanne Hooker, Sue Cherry, Edith Bregger, Dolores Frier, Carline Cone, Barbara Hendry, Mary Clements, Peggy Thompson, Dorothy Layfield, Clarice Lee, Elsie Ruth Harrell, Carolyn Mutchler and Joyce Reese.

The History and Spanish classes presented a one-act play "Let's Be Friends" with the actors were: Alice Darlene Mobley; Mrs. South America, Wilena Wynn; Simon Bolivar, Don Barston; Miranda, Billy Watson; land; San Martin, Claude Jones; Argentina, Beverly Hughes; Brazil, Mary Kate Barwick; Chile, Mary Eleanor; Cuba, Bolivia, Helen Friedheim; Columbia, Mary Williams; Peru, Joan Bregger; Ecuador, Robert Hummel; Venezuela, Albert Stevens; Uruguay, Carolyne; Chile; and Paraguay, Joyce Borchardt.

The History and Spanish classes presented a one-act play "Let's Be Friends" with the actors were: Alice Darlene Mobley; Mrs. South America, Wilena Wynn; Simon Bolivar, Don Barston; Miranda, Billy Watson; land; San Martin, Claude Jones; Argentina, Beverly Hughes; Brazil, Mary Kate Barwick; Chile, Mary Eleanor; Cuba, Bolivia, Helen Friedheim; Columbia, Mary Williams; Peru, Joan Bregger; Ecuador, Robert Hummel; Venezuela, Albert Stevens; Uruguay, Carolyne; Chile; and Paraguay, Joyce Borchardt.

MORON PARTY

The Moron and their guests enjoyed a buffet dinner at the Girl Scout Hut on Friday night and skating at Pahokee afterwards. Those in the party were Peggy Thompson, Peggy Rawls, Christine Taylor, Mary Katherine Knight, Frances Miltach, Norma Weeks, Charlotte and Phil Enlow, LeBron Williams, Elmer Kirchman, Richard Pike, George Wedgworth and Charles Hickerson of Pahokee.

NATIONAL YOUTH WEEK

On Monday the Juniors and Seniors met and elected their candidates for the different offices to be held on Wednesday when the students will take over the affairs of the city. The Junior candidates are: Dorothy "Pugsy" Walker, Edith Bregger, Sonny Smith, George Wedgworth and J. A. Tedder. The Senior candidate are: Beverly Lutz, Cararay Stacy, Billy Jeffries, B. Q. Waddell and Elmer Kirchman. The voting will be carried on Thursday and everyone must register either Tuesday or Wednesday or they will not be allowed to vote.

DELIZ SPEAKS TO SPANISH CLASS

Joe Deliz entertained the Spanish class with an interesting talk on his experiences in South America on Monday morning. The talk was given in Spanish and any that wasn't understood was translated by the teacher, Miss Margaret L. Brunson. Later in the day Deliz entertained the English 11 class with a similar account in English. Last week he entertained Miss Alma Murphy's fifth grade.

REV. LYNN SPEAKER

Rev. David Lynn of the Baptist church in South Bay was the guest speaker at Assembly Friday. He was introduced by Mr. Hobson and began by teaching the students a song. It was very amusing as some of the students whistled, some made a noise like a bell and the remainder sang. Rev. Lynn pointed out that life was a square—one side was Social, one Mental, one Physical.

DEMOLAY MEETING

The DeMolay met on Monday evening at the Carpenter's Hall and elected B. Q. Waddell as Master, Councillor, Joe Cherry as Senior Councillor and Lee Jeffers of Pahokee Junior Councillor. The meeting was attended by some 35 boys from both Pahokee and Belle Glade.

SCOUT NEWS

The Girl Scouts of Troop 4 enjoyed a week end camping trip to Fishing Creek last week. Mrs. Jack Royals, Mr. Hall, Beverly Lutz and Edith Bregger accompanied the girls. Beverly and Edith had taught the girls how to make a blanket roll before they left so everyone had their own blanket. The girls swam and browsed through the woods. The following girls composed the party: Ann Bass, Betty Chaney, Louise Carver, Gloria Crowley, Kay Feurs, Catherine Friedheim, Janet Hamilton, Betty Jean Harris, Carol and Mary Lou

Hummel, Patti Ingram, Dorothy Kidder, Luell Register, Jackie Royals, Dianne Te Strake, Barbara Wedgworth, Gloria Sasser, Madeline Williams, Katharine Brown, Janet Johns, Betty Jean Herne, Jo Ann Tedder and Martha and Mary Hall.

The seven year old Brownies enjoyed a wicker roast at the Girl Scout Hut on Thursday afternoon at 5:30. Mrs. William Graber and Miss Mary Gracie Dutton assisted Carolyn Friedlund and Louise Friedheim. The girls furnished their food which included wicker, potato salad, carrot sticks and grapes. After dinner they learned to make brown sugar toast which was enjoyed immensely by Louise Taylor, Arlene Kirchman, Jeanette Friedheim, Louise Taylor, Barbara Jean Graber, Ann Spann, Betty Jo Hayes, Jeanette Waddell and Martha Gay and Sam Leming.

The Brownies met on Monday afternoon at the Girl Scout Hut. The eight year olds made plans for a wicker roast on Wednesday afternoon at 5:30 in the Park. The girls cleaned up the premises of the Scout Hut and dismissed. The following girls were present: Gail Allison, Nancy Ball, Jackie Chance, Cherry Corbin, Betty Jo Hayes, Monteen Doolittle, Jeanette Friedheim, Suane Forsee, Barbara Jean Graber, Ann Spann, Arlene Kirchman, Jane Morris, Jackie Mosley, Renee Mills, Beverly and Claudia Prean, Joan Rabin, Norma Jean Royals, Louise Taylor, Thelma Williams, Jane Webster. Incidentally this was Barbara Jean Graber's last meeting as she is leaving for Ohio this week.

Wells Sells Martin County Lands

Arthur Wells, who was one of the Belle Glade men who invested in Martin county lands near Hobe Sound several years ago, the past week sold a 200 acre tract of farm land to Stephen W. Blodgett, a New York truck farmer. Blodgett will add the acreage to other land he owns in that vicinity and will plant it to a fall crop. Blodgett owns large land holdings in the Indiantown sector in addition to a thousand acres at Fishkill in New York state which he operates for northern summer crops.

... but
what has an APRIL SHOWER to do with
Jax Beer?

● Just as welcome as a Spring shower that refreshes the parched earth, so does a pure, cooling bottle of JAX hit the spot on warm, April days! Next time you want a completely thirst-quenching, refreshing beverage, pour yourself a satisfying glassful of frosty JAX! Note its color, flavor, aroma, body—and learn the true pleasure that can come from this golden, tangy brew!

● JAX brings you true premium quality—and you don't have to pay a "premium" price to enjoy it! So—say JAX, the Drink of Friendship, you can't buy better beer no matter what you pay.

SOUTH BAY BEAN CITY LAKE HARBOR

Mrs. Herman Stanley entertained Saturday afternoon in honor of the 11th birthday of Gloria Brewster. The children were entertained with lawn games, cake, ice cream and drinks were served to Gloria and Margaret Brewer, Marlene and Pauline Walker, Mary Lois Hodges, Danny Stanley, June and Billy Joe Ratley, Donna Fay Walker, Catherine Cook, Mary Louise Pope and Mrs. Cora Brewer.

Mrs. C. B. Miller of Jamestown, Ala., and Mrs. Leonard Starling of Tahoma, Ga., visited their brother, V. N. Greer and family this week.

Dr. H. W. Blackburn, district superintendent of the Methodist church with headquarters at Miami, was the official caller here last week.

Mr. and Mrs. Russ Anderson, Mr. and Mrs. Fran Randall of Miami were the week end guests of Mr. and Mrs. J. C. Bass.

Mrs. Edmund Leathless accompanied her mother to Tampa for medical attention last week and remained with her for the present.

Ensign W. A. Allen left Monday to rejoin his outfit after a weeks leave with his parents, Mr. and Mrs. W. C. Allen.

Mrs. Floyd Abstein and daughter, Judy, returned Monday from a weeks visit with her husband's parents, Mr. and Mrs. G. P. Abstein at Ft. Pierce.

Miss Eunice Richards of West Palm Beach and Mrs. Decar Spears of Blountstown spent the week end with their aunt, Mrs. Annie Cooper and family.

Warren Brown, son of Mr. and Mrs. G. H. Brown of Cleveland is spending a few days with his grandparents, Mr. and Mrs. C. J. Brown.

Mrs. W. M. Carlee has returned from a weeks visit with her parents, Mr. and Mrs. H. A. Rider of LaBelle.

Mrs. Lorraine Rigby, daughter, Carol Jean, Mrs. Louise Price and daughter, Sandra, of Tampa were house guests of their aunt, Mrs. A. B. Barnes for several days last week.

Miss Ruth Barstow, who has completed her freshman year in pre-U. S. Cadet Nursing at the Iowa State University in Iowa City, is expected home for the summer vacation next week.

Major Earl Campbell, U. S. Air Forces, who flew an air transport plane from Cheyenne, Wyoming to Morrison Field last week and returned visited his brother, J. C. Campbell and family here during his stay over. It was the first time the two brothers had met in 19 years. Maj. Campbell was accompanied here by St. Bivens of Ft. Lauderdale. Maj. Campbell has been a pilot all his life, formerly flying the mail and later piloting a commercial air liner in the Rocky Mountain West.

Gloria Greer, young daughter of Mr. and Mrs. V. N. Greer, has returned from the hospital in West Palm Beach where she was under treatment for several days last week.

Mr. and Mrs. Jack Warren have received word that their

son, Carol, who was with the U. S. Marines on Iwo Jima, is safe and has been transferred to another theatre of action.

SOUTH BAY BEAN CITY LAKE HARBOR

The revival services of the First Baptist church of South Bay, which are being conducted by Rev. Harold A. Davidson of Miami, assisted by Billy Jones, pianist of Sebring and Rev. David Lynn, pastor of the church, will come to a close tonight with a special Young People's service.

A choir of young people has been formed to help lead the congregational singing and special numbers are a feature of each night's service.

Sunday night, which was family night, had a choir rendition of "Peace Be Still" as a special number. The services have been very well attended and much interest has been manifested by young and old. A number of new additions to the church membership is expected to result.

OBSERVATIONS

Continued from page 1
ing its case planning so as to meet any sugar demands which the Government may permit.

With a good crop record, even with the dry weather, what would the production have been had their been the customary rains and moisture?

Dropped into the office of our old friend Judge Hubbell for a visit. Found the Judge as busy as a bee on a honey flower, but able to take off time to do a little "chinning." Yes sir, some day the "Judge" is going to be out of some of his numerous "thinkings" something that will likely make him a millionaire.

Attended a session of the City Commissioners last week and came to the conclusion that the Board was constituted of some pretty level headed businessmen and that the affairs of the city were in good and safe hands.

Physical Education for the youth of our land has taken a great stride forward during these war years and its paramount importance is shown by the emphasis that the Service departments has placed on such body building recreations as are found in all the big campus. Colleges, High and elementary schools most everywhere have such work in their school programs. Belle Glade has such recreation in its minor play ground activities and more so in the Athletics represented in the football and baseball teams.

This week the South Shore Athletic Conference started the ball rolling to raise funds for a complete Athletic field for Belle Glade and its surrounding paritizing school area. A sum of \$10,000 is to be sought, and there was not any of the men present at the meeting but who were optimistic enough to believe that the goal could and would be reached.

REPAIR WITH A GUARANTEE

INTERNATIONAL TRUCKS
TRUCKS like our treatment
AFTER YOUR TRUCK has been through our shop you can tell by the way it runs that our treatment is good and thorough. It takes men who know all about motor trucks to make expert repairs. Our mechanics qualify for this important work. And they're hard at it these days doing all they can to keep more trucks rolling.

Your truck also appreciates good replacement parts. We sell the best—genuine International parts that are identical with the original parts built into International Trucks at the factories. Order your parts now from our big stock.

New trucks will be scarce for some time to come. A few will be available in this community for essential civilian hauling. We will be glad to help you make out the necessary application. But the big thing is to keep your present equipment in the best possible shape. That's the important job we'll do for you whenever you say.

NEW FLORIDA BOOSTERS
The Florida East Coast Railway has recently acquired 100 new freight and freight express cars. These are of modern all-steel construction. Fifty of them have special trucks for operation on high-speed passenger and express trains.

In addition to moving goods these cars will also serve as Florida boosters. At one end they carry the name, "Florida East Coast," in large letters. On the other end appears the slogan, "Speedway to America's Playground." Many of them are now touring various sections of the country, reminding the many people who will see them of the East Coast of Florida and its attractions.

This new equipment will enable the Florida East Coast Railway to provide improved local and through freight and express service. While purchased primarily to meet the requirements of war traffic these Florida boosters will also be ready to better serve the cargoes of peace.
